ORDER:

In G.O. No. 3084, Public Works dated 18-8-1950, the Government ordered that the proposal to execute District Board Works as deposit contribution works should be deferred then as the Divisional Engineers (Highways) had either been granted or proposed to be granted enhanced powers in the matter of execution of District Board works. The Chief Engineer (Highways) was, however, requested to watch the result of the grant of enhanced powers to the Divisional Engineers, to review the position at the end of a year and to submit necessary proposals with reference to the conditions prevailing at that time.

2. With reference to these orders, the Chief Engineer (Highways) has stated that as the majority of the Presidents of District Boards were not in favour of the proposal to execute the District Board works as contribution works, he examined the question of reorganising the

present accounts set up of the Department and that he has issued instructions to relieve the Divisional Accountants of the supervision, audit and control of the accounts relating to the District Board works. He has also stated that, under the reorganised set-up, given effect to from 1-4-1953, the Head Clerk of the Division Office will be solely responsible for the audit and accounting of the transactions relating to District Board under the direct control of the Divisional Engineer and will submit all papers relating to District Board transactions to the Divisional Engineer direct. The Divisional Accountant will be responsible for the audit, accounting and allied works of Highways transactions only. In his capacity as Manager, the Divisional Accountant will, however, exercise general supervision and control over the entire office staff.

3. In the circumstances, the Government direct that the proposal to execute District Board works as deposit contribution works be dropped.
